Minutes of the ACRB

| 4. The purpose of this presentation was to inform the Board of the current contract situation. The Board accepted presentation and noted | 25X1 |
|--|-------|
| that given the circumstances outlined by the contracting officer, this appears to | 20/(1 |
| be the only practical solution to the problem. The Board thereupon recommended | |
| to the Director of Logistics that, to the extent possible in this interim period the | • |
| contracting and technical officers make every effort to select those contractual | |
| taskings which can be completed with the most benefit to the Agency if the project | |
| were to continue or could be terminated most expeditiously and at minimal expense | |
| should a final determination be made to discontinue further work on the | 0EV4 |
| program. | 25X1 |
| program. | |
| 5. The Board next reviewed the material furnished concerning | 0EV4 |
| <u> </u> | 25X1 |
| in response to the Board's recommendation pre- viously approved by the Director of Logistics under Docket R-71-6-29, to wit: | |
| | |
| that the contracting officer and the technical monitor return to the Board within | |
| 30 days from date of approval of the overrun Amendment with a progress report | |
| and their evaluation of the adequacy of the improved technical and financial reporting | |
| system which the contractor promises to implement. | |
| 6. The Board determined that the contractor's revised monthly status report | |
| is satisfactory, however the Board wishes to review the contractor's first submitted | |
| revised monthly report. Further, the contractor's reports shall be submitted | |
| under the signature of a senior corporate official to ensure that there is timely | |
| awareness at an appropriate level of management of those conditions which may | |
| require formal noticewhich the monthly status report is notto the Agency of | |
| potential overruns. | |
| 7 The December of the second state of the second se | |
| 7. The Board directed that copies of the contractor's financial status report | |
| be furnished to the Procurement Policy Panel for comment. | |
| 9 The contracting officer's recommendation for the cutourier of a Letter | |
| 8. The contracting officer's recommendation for the extension of a Letter | |
| Contract with | |
